PRODUCT FACT

- Huntonit pre-painted wall and ceiling panels are produced in Norway with nothing but pure natural wood fibers. The fibers are compressed and fused together in a heat and wather prossess with no additive substance
- The panels are treated with five coats of environmentally friendly watherbased acrylic paint. Finishing layer is a protective coating
- The panel has fire- (D-s2,d0) and sound-absorbing effect (sound diminishing cladding). Technically approved by SINTEF and may be used in REI30- and REI60- structures
- The panels are dense, making it possible to install screw fixed bookshelves and lamps directly on to the panels
- Recommended by the Norwegian Asthma and Allergy Association (NAAF)
- Holds the Indoor Climate Label

Wood Single panel Skygge installed on wall and Mist in the ceiling

BRUSH PAINTED SINGLE PANEL BOARD

Single panel board with brush painted surface and wood sturcture. The panel may be used horysontally or vertically onto ceiling or the wall. Short side extension with V-fas provides a clean appearance where panels need to be spliced for maximum coverage beyond 2400mm.

When grouting corners we offer a joint set that is perfect for this purpose.

SCREWS

Adapted to 11 mm pre-painted panel.
Wall: 4,2 x 35 mm.
Ceiling: 4,2 x 25 mm.

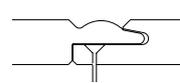

OTHER INSTALLATION TIPS

In the inside corner the last panel may be attach to the stud with construction adhesive.
If so you do not need clips or nailing. If last panel is installed against an outer wall with plastic wrap, one can not use adhesive. The panels may also be glued to brick/concrete. (see our installation instructions).

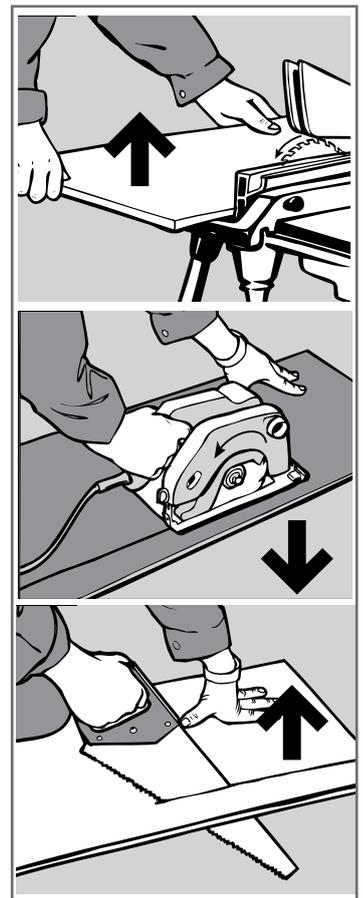

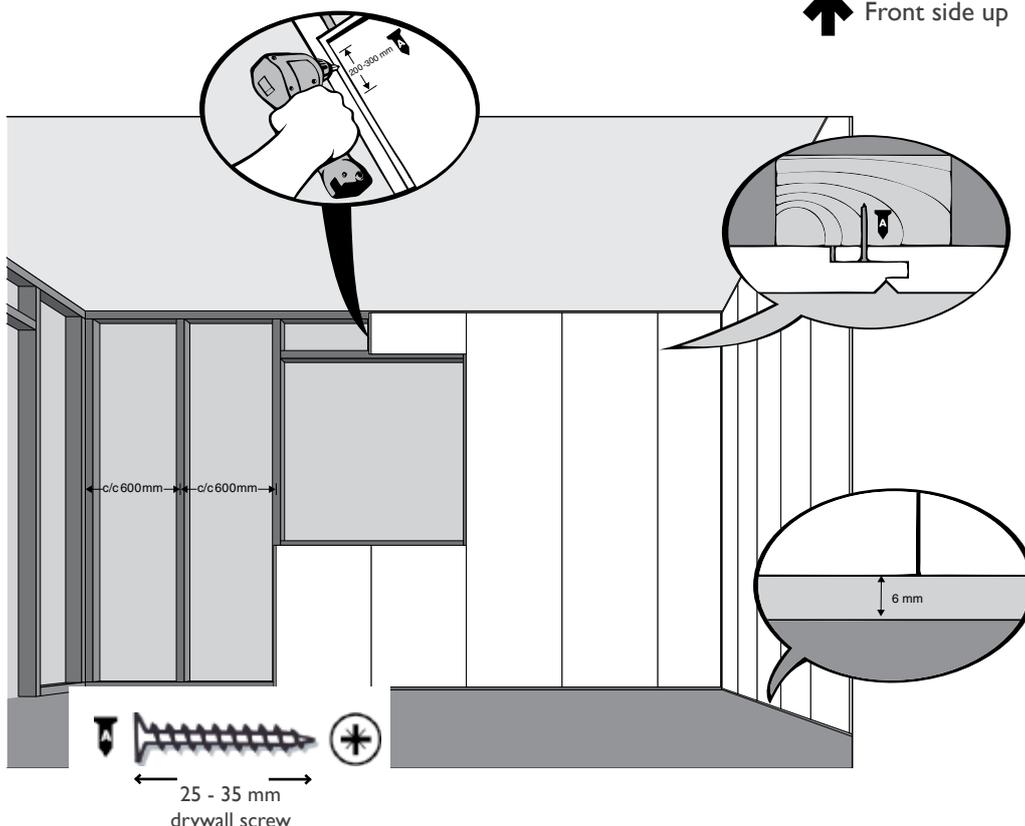

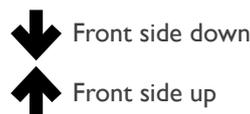

In buildings where there high demands on cleaning, eg. public buildings, institutions, etc., a base profile may be used to protect the edge of the panel. This solution is used when the panels need to be lifted off the floor (ex. 50mm.).

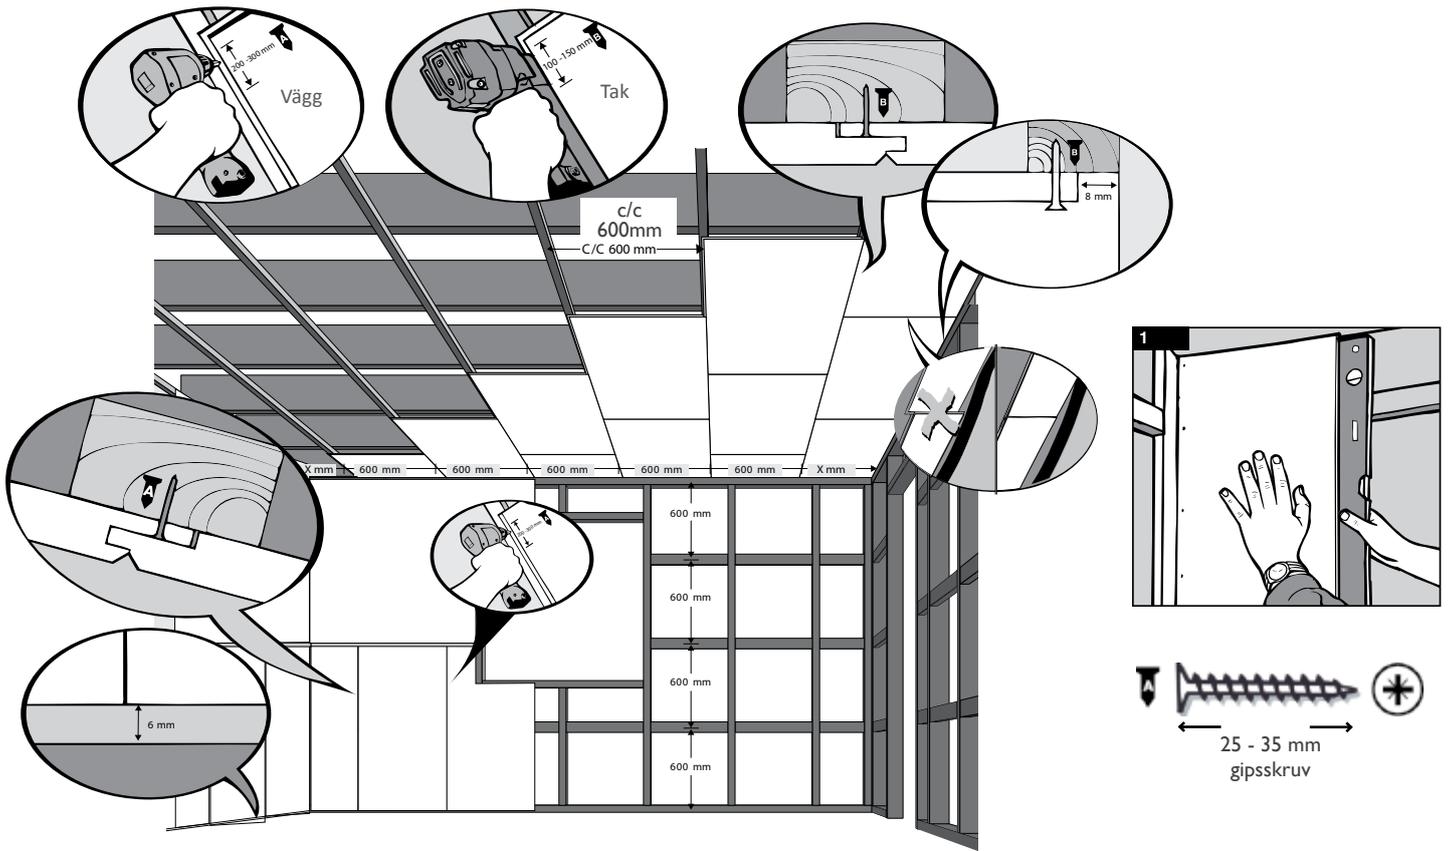

Huntonit pre-painted wall- and ceiling panel are equipped with tongue and groove for quick and easy installation with concealed nailing. The joints shall be glued. Nail distance: 150 mm.

Huntonit pre-painted wall
